Dear Mr. Saliba:

Let me take this opportunity to extend my appreciation to you for assisting the Police Department last month concerning a robbery that occurred on March 27, 2009, on Northwood.

It is my understanding that you and your company installed the surveillance cameras in the Larchmere area. I have been informed that you personally took the time to review the surveillance after the robbery. Because of your assistance, our detectives were able to capture the suspect vehicle leaving the area on the surveillance video. You also checked various cameras at different locations throughout the Larchmere area. Your assistance was vital in capturing the three arrested suspects, who eventually confessed to committing the crime.

On behalf of the Shaker Heights Police Department and the community, I appreciate your assistance regarding this incident. Your system is very beneficial to law enforcement. Your genuine concern and your offer of assistance to us in the future are both honorable and commendable.

Sincerely,

D. Scott Lee
Chief of Police
